The ideal launching location to enjoy a holiday. Enjoy bowls, a nine-hole golf course, park, cricket or footy on the oval or ride on the adjoining BMX jumps track and everything is within easy walking distance.

Discover Golden/Paradise Beach

Golden/Paradise Beach situated within the Lakes Coastal Park is the ideal place for relaxation and tranquillity. Walking the golden sands of the 90 mile beach you can enjoy an abundance of shells, cuttlefish, unique soft coral and sponges while watching sea birds swooping the waves.

The area is a haven for wildlife with kangaroos, emus, wombats, possums, koalas and echidnas seen regularly when walking the nature trails.

For the keen angler there is good fishing from the beach and annual fishing carnivals.

There is a diverse range of accommodation options including property rental and camping along the foreshore.

Conveniently located within walking distance of the beach and amenities the 48hr RV Rest Stop at the rear of the community centre is a great spot for fully self contained caravans and big rigs to stop over.

There is a community playground for young children to enjoy when they are not busy making sand castles or playing on the beach.

After a day at the beach, a round of golf or a game of bowls you can relax and enjoy a pleasant meal at the bistro or café or order your fish and chips to take away. Local businesses can cater to your every need from bread, bait or building products. Relax and enjoy your visit to Golden Beach and surrounds.
